9 AM check in • 10 AM walk start

Register today at KidneyWalk.org

Presented by...

University of Minnesota Physicians
University of Minnesota Medical Center, Fairview
University of Minnesota Amplatz Children's Hospital

The Twin Cities Kidney Walk is an occasion for kidney and transplant patients, organ donors, families, and friends, health care professionals, and community members to support the mission of the National Kidney Foundation. **Join Team MN ESA** on **Saturday, October 12th** as we celebrate life and raise awareness for kidney disease and the crucial need for organ donation.

Get Involved!

Register to Walk with Team MN ESA - Take a life-saving step with Team MN ESA on Saturday, October 12th! The walk is a fun, inspiring fundraiser that brings your community, friends and family together. Our non-competitive Kidney Walk is open to all ages, so bring your friends and family along. All you have to do is register, fundraise and walk. Visit www.kidneywalk.org to join **"Team MN ESA"** or call Stephanie Kass at the NKF Office at 651-636-7300 to register.

Volunteer on Walk Day – The NKF is always in need of individuals and groups to volunteer the morning of the walk from 7:00 AM to Noon. If you are interested in volunteering with ESA at the Walk or know someone who may be, please contact the NKF office at the information below.
