Alpha Chi—Joane Buche

St. Paul's East
Side—10:00am

In the back room of Culvers, six lovely ladies meet to catch up on their Alpha Chi mission. Their leader, Kathie Wasson, had informed the group of her resigning. Two of the ladies (Sue and Jo) quietly stated they would share that position on everyone's approval.

After very little discussion, they recited their Opening Ritual. Each office was called on to report their news and record keeping. Secretary, Kathleen read the minutes; Treasurer Sue, still has a plus balance after paying all the dues and a donation to the Disaster and Love Funds. Gloria tabu-

lated the hours and monies we recorded and sent it to the State. Kathy Rice gave an educational on Early Colonial. Sue and Joane gave short report on their MedTox jobs. It may be a big secret, but they enjoy getting out of the house, raising money for many worthy projects and getting acquainted with their sisters. Alpha Chi meetings will be changed to 10:30am, the first Saturday of the month for an easier arrival time.

State news was reported and discussion on votes for philanthropic projects was voted on if are eligible. Thanks to all of you who work year after year taking offices, chairing projects like the Style Show, Conventions, Garage Sales, etc.

Round table discussions came next as members need to catch up on their lives.

Kathy Konrad is recovering from her second foot surgery as the first one wasn't successful. Her thoughtful husband Ken transferred her and her Mom, Coleen, to the meeting. They are again planning their "Around the World Cruise" Viking ship from December 23rd to springtime. This

trip was delayed because of COVID.

Kathy Rice calls it a "journey". From October 1st, she started visiting hospitals, Care Centers, doctors, physical therapy, shots, and rehab. Her ports were St. John's, St. Therese and others. Home feels good these days.

Gloria is now back to driving her car and still living at Oak Meadows. Her mind says "I want to go home" and her body says "you need to be here." She is busy as her granddaughter is getting married, her great-grandson's first birthday and her many things to do!

Sue is healing after her long recovery from the long wait and hip surgery. Ken

and Sue will be taking a cruise after a long absence. Glad they are healthy enough to travel.

We haven't seen **Pat Peterson** lately, but we all visit with her on the phone.

The chapter is "again" planning a

Spring luncheon on June 7th. We will gather at the Hazelwood in Woodbury. Colleen will be re-

ceiving her 45-year pin in ESA.

Happy Spring; enjoy the Summer and stay well.
