

“As the world fights to figure everything out, I’ll be holding doors for strangers, letting people cut in front of me in traffic, saying Good Morning, keeping babies entertained in grocery lines, stopping to talk to someone who is lonely, being patient with sales clerks, smiling at a passersby. WHY?? Because I will not stand by and live in a world where love is invisible. Join me in showing kindness, understanding, and judging less. Be kind to a stranger, give grace to friends who are having a bad day, be forgiving of yourself – today and every day.

BE the change. Be the light. Start today and never stop.”
