

“It is hard for me to understand a culture that not only hates and fights his brothers but even attacks Nature and abuses her. Man must love all creation, or he will love none of it. Love is something you and I must have. We must have it because our spirit feeds upon it. Without love our self esteem weakens. Without it our courage fails. Without love we can no longer look out confidently at the world. Instead we turn inwardly and begin to feed upon our own personalities and little by little we destroy ourselves.” ~ ~ Chief Dan George

Michigan – Norma Baker passed away peacefully last night, surrounded by her family. She dedicated so much of herself, and her life, to the philanthropy and good works of our organization. Her efforts and presence made such a difference in the world, much like that sweet smile, her laughter, and that little twinkle in her eye. Norma became a member of ESA/Delta Rho on January 1st, 1978. She served as chapter president and Michigan State Council President many times over, as well as Midwestern Area Regional Council President. Her kindred spirit forged many friendships throughout her outstanding 42 years with ESA that will forever be cherished. No services are planned at the current time, but I know cards of support and fond memories would be welcomed by her family. Ron Baker 1945 Nobel Road Williamston, Michigan
