

Woman,

May you remain strong, connected and resilient. May you honour and listen to those who have passed. May you whisper kindness to those who are standing right beside you. May our missing sisters feel our breath on their faces from all of the four directions. May they inhale our love, capture our strength and may they find their way home to us. HAPPY INTERNATIONAL WOMEN'S DAY!

California Kathy Quadrato from Eta Kappa, fell in her kitchen and broke her hip. She does not need a replacement, but the did insert a pin and screws. The Dr told Kathy's husband Jim that it went as well as they had hoped. She has a hairline fracture and they inserted a pin and 2 screws.They are going to try to start her walking and doing some PT. If all goes well with that, she may be home in a couple of days. If she cannot bear the pain they may keep her for an additional 2 or 3 days.

Wanda Leyes from Alpha Alpha fell and broke her right wrist and is in a cast. She is unable to do much. The cast should come off March 30th. no more information given at this time.
